## At Ed-Ru Farm

..... will be your opportunity to select and purchase some of the most valuable Shorthorns exposed for auction in America this Fall. You don't have to take my word for it, . . . . study the pedigrees and pictures in this catalog and then be on hand sale day and see the thick, deep bodied, short legged cattle that sell. Because it is a complete dispersion, you will be provided great buying opportunities through the selection of permanent members of the entire Ed-Ru Farm herd and a choice draft from the herd of E. G. Bell, Farmington, Iowa.

Featuring the offering will be the great 6-year-old proven sire, Ed Ru Command, and his get. Then too there are daughters of such bulls as Divide Sensation, Imp. Calrossie Mercury, Paymaster Stamp, Supreme Goldfinder, Edellyn Royal Leader, as well as several imported females. Leslie Young has truly built a great herd, and now every lot absolutely sells to the highest bidder.

There will be 45 lots. Fourteen cows and calves, ten bred cows, ten bred heifers, seven open heifers and four bulls. Every animal will carry an individual health certificate for Bangs and T. B. and unlike most closing-out sales, every animal will be guaranteed a breeder according to the standard form of guarantee endorsed by the American Shorthorn Breeders' Association.

Again, I urge you to study the catalog carefully and plan to attend this important dispersion of one of the Mid-west's most outstanding herds—Mervin Aegeter of The Shorthorn World.

# To All Breeders of Shorthorn Cattle

Having purchased a farm of my own, it is with deep and sincere regrets that we announce this dispersion sale, the purpose of which is to dissolve the partnership of Mrs. Florence Cameron, Keokuk, Iowa, and myself. In order to hold this sale, every animal in the herd will be sold at public auction, Wednesday, November 6, to the highest bidder and not one animal will be retained at Ed-Ru Farm.

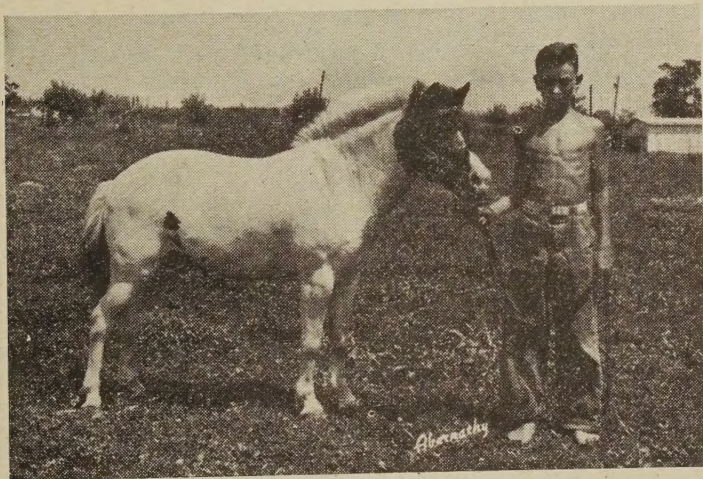

We have been engaged in the Shorthorn cattle business since 1932 and neither effort nor money has been spared in building this fine herd of Shorthorn cattle to its present high level. Every animal is a regular producer and will be sold just as we have carried them and with no extra fitting. In this way it will give the buyer the opportunity to purchase these cattle in a number one breeding condition.

We feel it has been a long time since such a group of cattle . . . breeding and individuality taken into consideration . . . has been offered to the public. Every animal will have an individual health certificate for Bangs and T. B. and will be guaranteed a breeder according to our Association standard.

E. G. Bell, Farmington, Iowa, a neighbor breeder, is furnishing a draft of eight choice lots to further add to the value of this offering, and we feel fortunate indeed to have him list four valuable cows and calves, two open heifers and two bulls in this sale.

We think we have individuals and bloodlines that will please the most critical. We cordially invite all lovers of good Shorthorn cattle to be our guests at Ed-Ru Farm on November 6. We are certain our cattle will meet with your approval.

Leslie Young

Don Young, junior member of Ed-Ru Farm

Curtiss Candy Modesty—A grand champion at the Illinois State Sale and Show. One of the best liked females in the 1945 Edellyn Sale. Out of the famous Greenwood Rosewood, sired by a grandson of the International grand champion, Browndale Goldspur. This heifer herself being a direct granddaughter of Calrossie Mercury. We agree with Harry Ackerman when he says that Curtiss Candy Modesty is probably the best fleshing heifer that he ever had the opportunity to feed. She was second high selling female (\$2500.00) in Edellyn's 1945 sale. Close to calving to the service of Ed-Ru Command.

She was the pick of their 1944 calf crop and it took a good deal of persuasion to get John to price me this heifer. Augusta of Ed-Ru 2d—Is a full sister to Ed-Ru Bombardier, the outstanding young bull being used by Gilbert Bell, Farmington, Iowa.

## The E. G. Bell Consignment

E. G. Bell, Farmington, Iowa, offers the following eight choice lots. Included are four valuable cows with outstanding calves at foot; two choice young open heifers and two young herd bull prospects. For the past 25 years Gilbert Bell has maintained one of the most practical registered Shorthorn herds in the Corn Belt. Every member of the cow herd has had to pay her way, and because of this careful, rigid culling and use of only well bred, outstanding herd sires, productions from this herd are always in excellent demand both at private treaty and in Northeast Missouri Consignment Sales. Nearly all of the herd traces back to the foundation cow, Orange Blossom Maid, from the same tribe of the Orange Blossom family as Browndale Count.

The color, type and breed character of Bell-Aire Flossie should appeal to everyone. A solid red daughter of Barrage Model selling with a beautiful red heifer calf at side calved Sept. 2, sired by Marmac Authentic Robin and looks to be a show prospect. This 2-year-old cow and heifer calf will be a desirable addition to a strong herd or valuable foundation cow. This Orange Blossom family are consistently good producers and comprise more than half of our herd.
